**Urgent: Please inform us no later than the 15<sup>th</sup> December 2007**

- a) If your federation is going to participate at the 3<sup>rd</sup> International Martial Art Games event and if **yes**
- b) **How many competitors and officials** will be attending from your federation?

This will allow us to gather information about who wishes to participate and the numbers attending. We will then be able to plan a schedule for the karate events (days and times etc). The local Thai organisers need to know the number of participants for each sport (10 different martial art sport federations) in order to plan the times and the various stadiums.

As soon as we get further details from the Thai organiser we will contact you immediately by e-mail.

We have received applications to include Shorin Ryu in the program for the juniors and Children Championships next year.

All federations who wish to bring **Shorin Ryu** competitors to the *6<sup>th</sup> Junior World Championships & World Cup for Children in October 2008 in Novo Mesto, Slovenia*, should inform the WKC Office by e-mail. If there are three or more federations with Shorin Ryu athletes then we will open an extra category for this style.

The 6<sup>th</sup> European Championships in Banja Luka, Republika Srpska and the 6<sup>th</sup> Junior World Championships & World Cup for Children in October 2008 in Novo Mesto, Slovenia are well under way. For details look at the WKC webpage.

The WKC Executive Committee wishes all members, supporters and friends  
A Happy and Prosperous New Year 2008.

Sincerely yours

WKC Executive Committee
