Dear members,

the purpose of this Newsletter is to bring to your attention several events and to promote the member federations' activities.

As you know already, a very successful event was held in June this year in Belgrade. On that occasion the ExCom has made the decision that the next year event will be held in a charming town Mostar, located in Herzegovina (Bosnia) half way between Sarajevo and Dubrovnik. Date will be decided soon (probably May or June 2023), but more news will follow soon.

In the meantime, we see a remarkable activity of our members. We will keep publishing and advertising all members events, and we encourage you all to send us posters and invitations.

Rada Stopić, editor

Dear Sensei,

I am writing to invite yourself and your group to attend the Scottish Karate Alliance Open Championships on Saturday 1st July.

This is a traditional karate event, with kata, team as well as individual, and shobu-ippō and shobu-sanbon kumite again for individuals as well as teams.

The rules will be under World Karate Alliance banner, with children's categories under World Karate Confederation which are almost identical to Shotokan Karate-do of United Nations, Japan Karate Association, Japan Shotokan Karate Association and all other traditional world bodies.

There will be specially made Olympic style medals for the first three competitors in both kata and kumite, with kumite having a joint third place medal.

I hope you will add our event to your calendar, as it is my opinion that there are not nearly enough open events for traditional karate-ka to meet, practise and develop their skills outside their own national and international events.

Yours sincerely

Bill Hair 6th Dan Shotokan
