TRANSPORT AIRPORT - HOTEL - AIRPORT

First of all, we want to inform you that all groups traveling by air will be met at the airport by our hostess who will assist you with the transport!

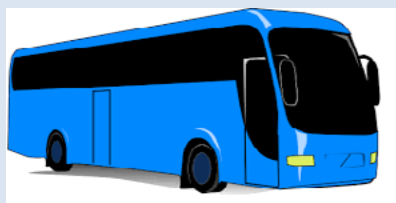

There are 3 possible ways to organize transportation to your hotel, regardless of number of people in your group:

1. Taxi service

There is a "Taxi info desk" in the arrival area (ground floor) where you can buy vouchers for a regular taxi service. You should not be taking "freelancers" because of uncertain and problematic rates! Go to the exchange office and change some smaller amount of your currency into Serbian dinars (rate: 1 € = 120 din.). The fare for a ride in the 1st zone, and all hotels are located in this zone, is 1.400 dinars (12 €). One taxi cab can take 4 passengers.

2. AIRPORT BUS – Line A 1

Departures from the Airport are every 20 minutes. Tickets are purchased on the bus and cost 300 dinars (2,50 €). Ask the driver where to get off, this line goes close to all of the hotels, but there is a little bit to walk!

You can see the timetable at the following link:

http://www.beg.aero/upload/a1_map_&_timetable.pdf

3. PUBLIC BUS – Line 72

Public bus service operates every 40 minutes from 4.00 till 23.40 hrs. Tickets are purchased on the bus and cost 150 dinars (1,20 €). Ask the driver where to get off for your hotel!

All information concerning Airport and transportation can also be found at the web site:

WEATHER, LOCAL TIME, FOOD, CURRENCY

We believe that the participants of our forthcoming tournament will definitely enjoy good weather in June, warm, but not too hot yet, since it is one of the most beautiful months as far as the climate is concerned. The date of the tournament comes in the first two summer days! Our tournament will start on the longest day of the year!

Few days prior to your scheduled arrival you may check the local weather on:

<http://www.accuweather.com/en/rs/belgrade/298198/weather-forecast/298198>

Serbia is in the Central European Time Zone . Central European Standard Time (CET) is 1 hours ahead of Greenwich Mean Time (GMT+1).

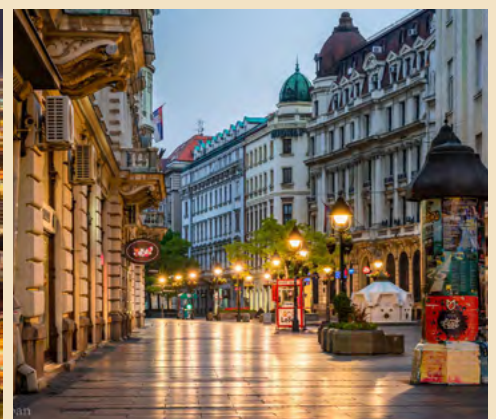

Serbian currency is dinar (RSD) and it equals 120 to 1 € or 110 to 1 \$. There are many banks and exchange offices all around the city. All credit cards are also accepted at the great majority of shops and restaurants.

Serbia is well known for its culinary specialties, so food should not be an issue for anyone! Water from the tap is drinkable. There are dozens of restaurants and fast food places everywhere in the area around the sport hall and all the way to your hotels for each taste and for every budget.

Finally, here is a small preview what the Belgrade City looks like. We hope you will bring unforgettable memories from our event and our city!

Looking forward to seeing you soon!
Yours sincerely,
Organizing Committee
