Referee & Coach Seminar

All referees, judges and coaches wishing to officiate at the tournament have to take in the full course on 21st October 2010 from 9 am to 5 pm (17 hours). No late comers will be accepted and therefore will not receive an official licence.

National flag and national anthem

All federations are required to bring two national flags (1,50 x 2,00 m) and a CD with their national anthem to the registration.

Please understand that we have to be strict in all these points. However, karate means discipline and especially in such a large championships with so many participants (we expect more than 1.000) so we all have to abide by the rules. Thank you for your understanding on these very important matters.

We wish you and all your squad members a very good preparation for the championships, a safe journey, and a wonderful time in Caorle!

Sincerely Yours

Marko Nicović
President
