**NEWSLETTER**  
**NO. 3/2018**

## From the President

On behalf of the WKC Executive Committee and in my own name I wish to thank all federations who participated in the 10th European Cup in Resita for attending the event and for the support of our activities.

The Romanian Organising Committee - WKC Romania and its leadership represented by Mr. Marian Meşinschi have done a superb job to make everybody feel at home and the tournament a fantastic demonstration of WKC karate and spirit.

A special thanks goes to the Municipality of Resita, Mr. Loan Popa, Lord Mayor as well as Mr. Adrian Dacica, Deputy Lord Mayor and Prof. Liliana Dacica, Sport manager of Resita. Without their support and help it would be impossible to organize the event!

The WKC ExCom will soon decide on the organizer of the 13th World event, scheduled for 2019 and in a due time you will get all information.

I hereby want to encourage all federations, willing to host this event, to apply as soon as possible. All your ideas and comments regarding the most convenient time of the year will be very much appreciated!

We are aware that number of participants must be increased and that many countries are facing obstacles to their participation due to visa requirements. WKC will try to bring the best decisions for the sake of our member federations and in their best interest. Therefore, finding the most convenient location for the majority is our top priority.

Sincerely yours

Marko Nicović  
President  
World Karate Confederation

In order to improve cooperation and coordination among members, the ExCom recommends all member federations to organize regional events. That would enrich the calendar of events of each member and give an opportunity to everyone to take part in more international events!

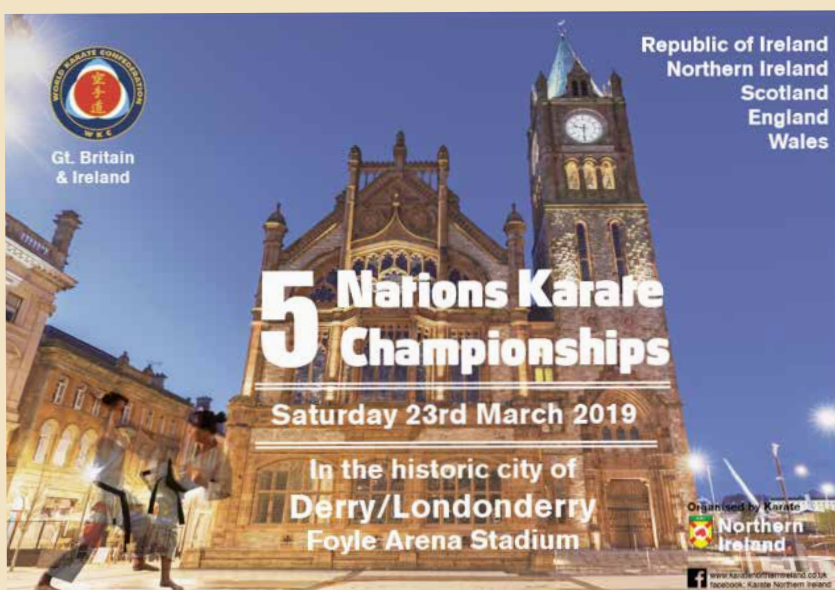

Those events should be called for example "WKC U.K. and Ireland", "WKC Open Balkan Cup", "WKC East Europe Cup", etc. Please check on this page that such an event has already been scheduled for March 2019 in the UK.

Also, we kindly ask all member federation to supply information (poster, propositions, other info) whenever your federation is hosting an event, so we can publish it on our website and inform the members within due time!

All WKC member federations are encouraged to use the WKC logo, so please be free to put it on/with your federation's logo, or on your headletter, diploma, or any other convenience that you like.
