NEWSLETTER
NO. 4/2019

Dear friends,

First of all, I wish to thank all federations that took part in the 13th World Championships for Cadets, Juniors and Seniors and World Cup for Children, held in Belgrade, Serbia, from 15th to 17th November 2019. I hope you had a pleasant journey home and that you have brought back home good memories of the past event.

We believe this was a very successful event with participation of nearly 800 athletes from 28 federations and 18 countries. We had nine (9) new members in this tournament, which have brought 'fresh blood' and new energy and quality to our organization. Together with long standing federations who supported the event once again, we had a high level of competition with some outstanding performances both in kata and kumite. It could often be heard that 'this was a real karate, karate of the old times', comments that were made by many participants who truly enjoyed the competition.

The hosting federation, Serbian Karate Union, made an effort to organize the event in the best possible way in a short time since the decision was made to relocate the championships to Belgrade due to better facilities. We are very grateful to a skilled local team, led by Mr. Aleksandar Makic and his 'yellow T-shirts', who were great helpers throughout the Championship days.

Once again, thank you for the support!

Sincerely yours
Marko Nicović

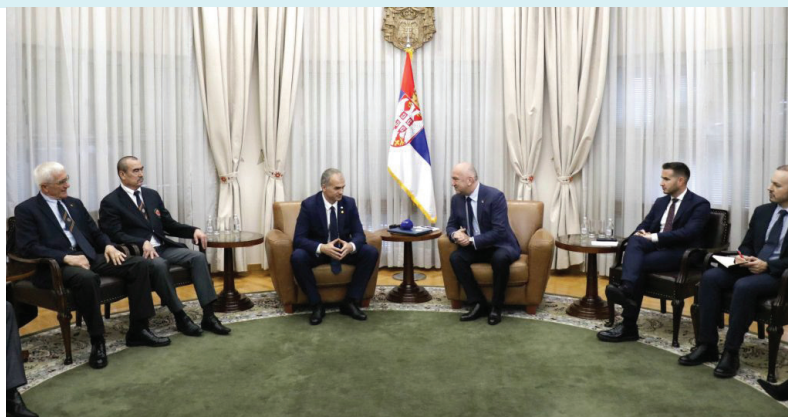

President
World Karate Confederation
