WKC
NEWSLETTER
NO. 1/2021

From the President

Dear friends,

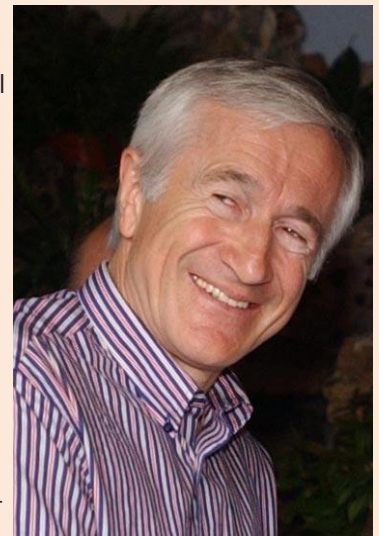

I hope you are all doing well and healthy.

We had a very frustrating and unfortunate period for all of us for about two years now, marked by illness, limitations and suffering. Although the problem has not yet been remedied and the danger is still present, things seem to be changing for the better and a ray of optimism is emerging on the horizon. The slow recovery from the pandemic will certainly take some more time, but life must go on, and so does sport, one of the things that make life more beautiful.

For two years, the WKC has not organized a single competition and this break gave a hard time to the athletes, clubs and federations. Many have asked and expected us to organize a tournament this year, since all other federations have organized or scheduled their own.

I have received many letters and comments from you recently, and I hereby wish to thank all of you for your concern and support.

Therefore, following the wish of huge number of members, our longtime member, for over two decades, Romanian Association Sport Star Anina, led by Prof. Eng. Marian Meşinschi, a proven great organizer of one of the earlier championships, offered to organize

The 11th OPEN EUROPEAN WKC CUP FOR CHILDREN, CADETS, JUNIORS AND SENIORS In Resita on 2nd/3rd October 2021

The event will take place in the

Sala Polivalentă

Sports complex in Reşiţa, Romania
Address: Piaţa 1 Decembrie 1918 5, Reşiţa, Romania

Which is situated in the very centre of town, pedestrian zone.

All teams needing Romanian entry visa, please contact the Organizing Committee:

For all technical details (rules, categories, equipment), please visit our website: <https://wkc-org.net/technical>

I am aware that some federations will have difficulties to attend competitions abroad, due to health measures, but the situation is constantly changing, so you should inquire once a week on the official website of the Romanian Embassy in your country about the current measures and conditions of entry in Romania. The information we have at the moment is that countries are classified as green, orange and red zone, and consequently it allows either free entry, or under certain conditions, such as PCR test or vaccine.

We should be soon able to bring more news very soon in the Newsletter No 2.

Keep yourselves safe!

I am looking forward to see you all in Resita soon!

Marko Nicović

President
World Karate Confederation

the 11th OPEN EUROPEAN WKC CUP FOR CHILDREN, CADETS, JUNIORS AND SENIORS

that will take place on 2nd and 3rd October 2021.
