

FROM THE PRESIDENT

Dear friends,

Several significant long-term decisions have been made in the past few weeks, which I am sure will represent a turning point that will affect the future functioning of the WKC.

I THE ELECTION OF NEW LEADERSHIP

The 7th WKC Congress, held on the 1st October 2021 in Resita, Romania has elected the new leadership. In the next four years, the WKC ExCom will be composed of the following officers:

Mr. Marko Nicović (Serbia) - President
Mr. Pete Lindley (England) - Vice President
Mr. Massimo Di Luigi (Italy) - Vice President
Mr. Nestor Parreño (Argentina) - Vice President
Mr. Marian Mesinschi (Romania) - Vice President

I would like to take this opportunity to thank everyone for congratulating me and my colleagues on the election and for their heartfelt wishes for prosperity of the WKC. We are determined to keep WKC a reputable and strong organization on the international stage.

II EXCOM DECISIONS

The newly established ExCom made a series of decisions concerning the future organization:

- The host of the next World Championships 2022 will be determined in the next few weeks;
- New permanent Referee Commission will be comprised of: Mr. Luca Proietti (President), Mr. Bill Hair and Mr. Radomir Prosic (members);
- Establishing a new structure, ie. organizational chart that will clearly determine the horizontal and vertical subordination and division of tasks;
- Election and appointment of regional-continental presidents, which will improve the presence of WKC in different regions;
- Introduction of a Secretariat Office for the easier administrative functioning;
- Introduction of new categories in future tournaments:
 - 6-7 years kata and kumite

I am certain these decisions will be supported by the membership and will have an impact to many segments of our future work.

Yours sincerely,
Marko Nicović
President

WKC – FUTURE STRUCTURE

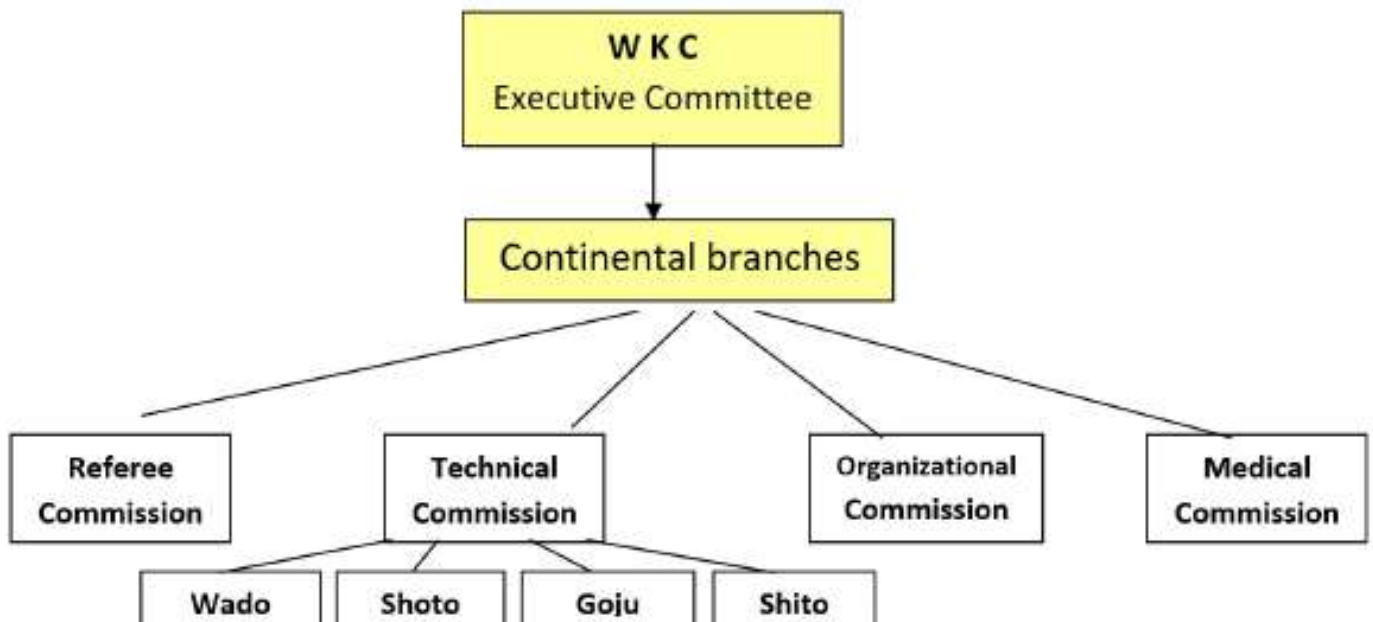

Following decisions of the ExCom, made during the recent meeting, held in Resita on 2nd October 2021, the foundation has been laid concerning the organizational scheme of the future WKC.

You have been informed about the recent appointment of regional presidents, which aims to develop and improve the continental branches.

The new structure of the organization would imply two key things

Positions like Continental President/Manager/Director/Chairman will be confirmed every 2 years valuing the contribution, local development, activity, proper financial management, loyalty, etc.

New structure, responsible to the ExCom, would be composed of following bodies:

Each commission should have 3 to 5 members from different countries, based on the proposals submitted to the ExCom by their federations.

Every Continent will have a branch, the organizational structure must be the same in each continent, as indicated by the WKC Executive committee.

All member federations are encouraged to submit the applications for the respective commissions within a month's period to the ExCom. We are sure that we have exceptional and quality experts in our ranks who will be able to actively perform the entrusted tasks in the future.
