From the President

Dear Friends,

2022 the major events in our sports calendar is approaching very quickly!

This June eyes of all karatekas and fans of martial art from all over the world will be focused on Belgrade. This city, the capital of the Republic of Serbia, with the population of 2 million inhabitants will host the most important event of karate world. Competitors from different countries

will come together to Belgrade to compete with each other to win the title of the World Champion. The WKC World Karate Championships is also a great opportunity to exchange knowledge, skills but also to create new friendships and to have just a great time. As Belgrade already hosted several events of a global importance you can expect a very pleasant ambience, people who are willing to help and excellent facilities. You are very welcome to come on June 10th – 12th to Belgrade and to enjoy another great WKC World Karate Championships and to learn the hospitality of the city and people.

The Executive Committee, that has been elected last October in the Congress held in Romania decided to make certain changes and additions to our technical rules. I am especially thankful to Vice-President Mr. Massimo Di Luigi and his associates, first of all Mr. Luca Proietti, who have invested enormous work and effort to complete the work and upgrade the rules. The WKC has decided to follow international standards and introduced the new age group of children 6/7 yrs and more divisions for our oldest competitors (check our web page: <https://wkc-org.net> under "technical".) For the first time we will also have mixed kumite teams (male + female) which we are sure will make our competitions more attractive.

Some more technical improvements you will see in the "WKC event rules" - https://www.wkc-org.net/images/pdf/tehnical/event_rules/WKC_2022_.pdf
This regulation will be put in place already at the 14th World Championships and World Cup for Children this year.

We trust that the Serbian federation SKU and the local organiser will do their best to make this event a very special one. The Serbian federation and the local host are very experienced in organising international tournaments, therefore we are confident that once again they will organize a tournament to a very high level.

Please take care to register your competitors on time, the registration is open until 30th of May, 2022!

I wish you successful preparations and I hope to see you soon in Belgrade!

Marko Nicovic
President
