**NO. 3/2016**

Dear friends

Holding a championships in Italy can never be a mistake, because there is nowhere in the world that there is a country as full of beauty as Italy!

I am certain that everybody who attended the 11th World Cadet, Junior and Senior Championships and World Cup for Children in Rimini last weekend (23rd – 26th of June 2016) has spent several very happy days there! We had it all – a fantas-

tically run championships, free of any tension, the abundance of hot Mediterranean climate, plenty of things to do apart from the main reason we were there: strolls through the old Rimini town, going to the beaches, enjoying great Italian food, etc.

First of all, credit must go to the superb team of FIAM (Federazione Italiana Arti Marziali) led by Dr. Bruno Gilardi, President and the WKC Vice President! Experienced, numerous, efficient, friendly and helpful team meticulously and vigorously demonstrated their commitment to make this event long remembered. Technically, this was the best championships ever as far as managing the competition was concerned with computer-guided competition with

big display screens, precise schedule published on the internet for each competition day, meticulous online registration system, etc., thus setting up very high standards, which I hope we will be able to keep in the future.

Therefore we owe a big GRAZIE to our Italian hosts: Bruno, Massimo, Marcello, Roberto, Manuela, Barbara, Giacomo, I am sorry that I must have missed to mention all of the members of this successful team who has worked so hard for the WKC and who made us feel like at home!

Special thanks go to the legend of the martial arts, well known "Samurai" editor, great master Giacomo Spartaco Bertoletti, who made unforgettable demonstrations at the opening ceremony. We all enjoyed his performance and I must say we all appreciate Spartaco's support and promotion for the event.

Another great friend and supporter throughout the years, Sir George Popper with his wife, Lady Anna Popper also payed us a visit in Rimini. Sir George Popper, who is the President of the IBSSA and is a valuable source of information, a connoisseur in the field of martial arts and an expert with worldwide contacts.

And finally, I wish to thank all teams, competitors, coaches, referees, officials who contributed and supported this event!
